DETAILED ACTION

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: No prior art uncovered anticipates or renders obvious applicant(s) claimed dimming-control lighting apparatus including maintaining a dimming characteristic of the dimming power source, is arranged to control the first and second power control units so as to first light the first filament, to start lighting the second filament after the color temperature of light emitted from the first filament reaches a predetermined value, to compensate for degradation of the total color temperature due to the lighting start of the second filament by means of further increase of supply voltage for the first filament, and to increase the supply voltages for both the first and second filament in conformity with the dimming characteristic.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Allowable Subject Matter

1. Claims 1-7 are allowable over the prior art of record.
